Château Saint-Martin & Spa reveals new offerings for the 2024 season

Vence, April 2024

Château Saint-Martin & Spa is delighted to announce its annual reopening will take place on April 29th. Nestled in the verdant hills of the French Riviera, the Oetker Collection Masterpiece Hotel has many new offerings in store to enchant guests and enhance the experience of spring and summer sojourns at the Château.

Reimagined Accommodation

Blending a hint of modernity with a warm, elegant atmosphere throughout, Château Saint-Martin & Spa is home to 41 rooms, suites and junior suites, as well as 6 private villas. This season will see the introduction of the brand-new, 69 m²/ 743 sq. ft *Junior Suite L'Atelier*, featuring a living area and spacious dressing room, as well as a luxurious bathroom with steam shower, bathtub, and an outdoor stone shower. Completing the suite, a beautiful loggia allows guests to step into the open air and take in the breathtaking views over the Vence hillside.

Offering the perfect way to escape to the French Riviera with family or friends, the hotel's private villas have undergone enhancements to elevate the experience. Featuring one to three bedrooms, the six villas pair contemporary comfort with a refined and luminous décor.

This season, the three-bedroom *Villa Saint-Martin* will launch its private outdoor swimming pool. At 5m x 3m (16 ft x 10 ft) and 1.50m (5 ft) deep, the pool offers guests of this villa the chance to take a refreshing dip in the sun or under the stars. The one-bedroom *Villa Riou* has been updated with its own special private amenity in the form of an outdoor hot tub. Tucked into a peaceful corner of the garden, the hot tub has a diameter of 2m (6.5 ft) and a depth of 80cm (3 ft), providing a place to relax in beautiful surroundings.

Spa & Wellness

Surrounded by lavender in the heart of the gardens, four private cabanas are the perfect place to spend a quiet morning or afternoon, just steps from the picturesque infinity pool. One of the cabanas is fit for the possibility of indulging in a spa treatment in the beauty of nature. In the *Bamford Cabana*, guests can enjoy an array of treatments that incorporate certified organic botanical products from Bamford. Offering an exceptional sensory experience, these body treatments are enriched with aromatic essential oils extracted from herbs and plants.

Under the gazebo, the outdoor hot tub is bordered by fragrant jasmine for yet another immersive experience in nature, courtesy of Spa Saint-Martin by La Prairie.

Special Events

'Les Estivales,' the Château's swoon-worthy summer soirées, are back for the third season in a row. In the idyllic setting of our gardens, bordered by century-old olive trees and lavender, guests are invited to discover a delicious Provençal inspired buffet prepared for the occasion by Executive Chef Jean-Luc Lefrançois. A local abundance of rotisserie meats, cheeses, craft beers, fresh fruits and vegetables, and Niçoise delicacies will be presented for enjoyment, accompanied by the sweet creations of Pastry Chef Tanya Colella. Live music by the Chris Cadillac Strolling Band will enliven the evening with vibrant energy and dynamic performances. This festive event will take place on select dates throughout the season: Thursday, June 6th, Friday, June 21st, and Thursdays, July 4th, July 18th, August 1st, August 15th, and August 29th, beginning at 7:30 pm.

Art Exhibition

Like every year, the hotel celebrates art with a special exhibition. This season's featured artist is Georgia Tucker. The English artist found inspiration in the beauty of Château Saint-Martin & Spa's gardens, olive and cypress trees, as well as its bright colors and the majestic Baou des Blancs mountain. From this creative spark, she has created two custom stained-glass windows for the hotel in tones of blue, yellow, and green, displayed in two of the hotel's arches, nearby the chapel. The light that filters through the windows evolves throughout the day, depending on the time and weather, to create a stunning, ephemeral encounter. In addition to these two works, the artist is exhibiting a series of paintings reminiscent of summer's colors on the Riviera, in addition to vases in the Château gallery.

For a romantic escape, a getaway with family and friends, or a private event, Château Saint-Martin & Spa and its talented teams invite guests to create precious, lifelong memories in this enchanting haven on the French Riviera.
