HÔTEL DU CAP-EDEN-ROC & THE HOUSE OF DIOR

Two Houses united by the same vision of discreet, authentic luxury. Shared passions have forged links between them that have grown stronger over time. First of all, of course, there is the exceptional art of living and the unique philosophy of well-being, infused with the same desire to help everyone experience unforgettable moments and emotions. Then there's the love, shared with Monsieur Dior, for nature and flowers, in particular the roses that flourish by the thousands in the estate's rose garden.

For this timeless paradise, Dior created a multi-faceted Spa. In a setting inspired by the rocks on which the hotel stands, four treatment suites and an experiential space await their guests. The perfect embodiment of the Mediterranean way of life, the Spa extends into the heart of the vegetation of the Hôtel du Cap-Eden-Roc, inviting you to discover two settings bathed in the light of the French Riviera and the extraordinary blues of the sea.

ROC AFFUSION SUITE

Water, rock, heat and cold diffused by adjustable water jets, a sauna and ice fountain just a few steps away... Carved from onyx, the Roc Affusion Suite brings the senses and the skin to the surface. Under a rainy sky, a ballet of precise movements regenerates the body and refreshes the mind. Stimulated by the controlled force of water, energies are released in perfect harmony.

RIVIERA SUITE

The extreme refinement of an intimate setting, the warm simplicity of a cocoon. Conceived as an exceptional getaway for two, the Riviera Suite is equipped with a beauty room and set in a patio planted with Mediterranean trees, opening onto the Eden-Roc garden. All you have to do is cross the threshold of this haven of serenity, with its soft colours, and the journey to absolute well-being begins.

DIOR GAZEBO

In the gardens of the Hôtel du Cap-Eden-Roc, just a few steps from the rose garden dedicated to Queen Elizabeth roses, a gazebo reaches for the sky. Hidden from view by large curtains, this romantic gazebo houses a double cabin. Curled up on one of the beds warmed by soft linen with soft linen, your body enjoys the delicious sensation of lying on a cloud. The mind becomes lighter, ready to reconnect with the elements, in perfect harmony with nature.

DIOR CABANA

It's a well-kept secret in the Eden-Roc park. Nestled in the shade of the umbrella pines, the Dior Cabana offers an exceptional panorama of the blue horizon and the Mediterranean. Here, in this refuge where time no longer exists, Dior invites you to enjoy a complete change of scenery for the duration of a body or face treatment. In an instant, your thoughts fly away and you happily take to the road to bliss.

AN OUT-OF TIME EXPERIENCE

Feel the needs of your skin and body as well as your mind. Taking the time to rediscover yourself. For Dior, beauty and well-being are one: a whole that is conceived in perfect physical, psychological and emotional harmony. To accompany each guest in this quest to return to oneself, Dior draws its inspiration from nature and the power of the elements. At Eden-Roc, water, rock, sun and garden naturally nourish the Dior Spa philosophy and infuse its avant-garde treatments.

Drawing on their perfect knowledge of the skin, the House's Well-Being Experts combine the expertise of virtuoso gestures and cutting-edge technologies to create tailor-made sensory experiences where excellence reaches its peak. Aimed as much at enhancing the exterior as illuminating the interior, they offer each guest the opportunity to rediscover the joy of being themselves. Through precise movements and the rhythm of calmed breathing, energies are rebalanced and the senses are brought to life. Body and mind reconnect with their fundamentals. Aspiring to harmony and absolute well-being is no longer a dream: it's a reality.

THE DIORIGINELS RITUALS
