Stuart Cantor for Exclusive Exhibit*

May 2024,

Long-time champions of artistic expression in all its forms, Eden Rock - St Barths is pleased to announce a new photographic exhibit entitled 'St Barths Magique', featuring the outstanding work of renowned photographer Stuart Cantor.

This captivating series, captured through Cantor's artistic lens, takes viewers on a journey through the many spectacular vistas in St Barths, from its pristine, crystal-clear beaches and the lush tropical landscapes of its hills to the vibrancy of Eden Rock's perch on St Jean's Bay. The exhibit is an invitation to take a deeper look at the unique duality between the island's tranquillity and its vibrant, eclectic atmosphere - both of which have attracted the jet-set and adventure seekers for generations.

'I wanted to capture the natural beauty and allure of Eden Rock, the social epicentre of this magical island. I hope these photographs help the viewer remember their good times at Eden Rock,' comments Stuart Cantor.

The 'St Barths Magique' exhibition will showcase 10 photographs from Stuart Cantor's series, on view in the Sand Bar and at Eden Rock Boutique.
